

WWNS Educational Bursary

Waste Water Nova Scotia Society, a not-for-profit organization of persons engaged in the on-site sewage industry in Nova Scotia, is sponsoring three annual awards to support students with an interest in on-site wastewater systems.

Participants may only receive an award once during their studies.

The University award is available to a student currently enrolled in an accredited University environmental, chemical or civil engineering program.

University requirements to be included in application package:

- Letter of Interest
- Statement of research or experience
- Two letters of reference
- Copy of university transcripts
- Completed application form

The College award is available to a student currently enrolled in a two year Environmental or Civil Engineering Technologist program, or in a Heavy Equipment Technology program.

College requirements to be included in application package:

- Letter of interest
- Transcript of related program grades
- Two letters of reference
- Completed application form

Trade School award is available to those currently enrolled in a trade program related to the on-site industry

Trade School requirements to be included in application package:

- Letter of interest
- Transcript of related program grades
- Two letters of reference
- Completed application form

*Letters of interest should include an introduction to yourself, your field of study and its relationship to the on-site sewage industry

Applications must be received no later than August 15, 2018.
